

Adult Day Care Coming To Kaneohe!

We are excited to share that Hale Hau'oli Hawai'i will be opening an Adult Day Care in the Windward City Shopping Center on February 5, 2024!

Adult Day Care centers are designed to provide caregivers respite while ensuring their loved ones are cared for in a fun, engaging and safe environment. Family caregivers invest countless hours into providing emotional, physical, and logistical support to their loved ones. Often, amidst this whirlwind of responsibilities, the significant role of socialization can be overlooked.

But for our elders, especially those with cognitive or physical limitations, social interactions aren't just a nice addition to daily routines; they're a necessity.

Why is Socialization Crucial?

- 1. Cognitive Stimulation**
- 2. Emotional Well-being**
- 3. Physical Health Benefits**
- 4. Sense of Purpose**
